

Welcome to Tri-Cities Prep!

You have made a great decision in choosing to send your son or daughter to Prep! On behalf of our entire community, I want to welcome you and assure you that we are here to support one another, and to provide the best possible experience for our students.

In this packet, you will find a checklist that will help guide you through the application processing. Using the checklist helps ensure that your application is complete.

Included in the application packet is the tuition schedule for the 2017-2018 school year. Whether you are new to paying tuition, or a seasoned pro, please know this: **we are here to work with you.** If the tuition set your level is daunting, please make the effort to call the school and have a conversation with Brigid Lee, our Manager of Business Operations. Brigid is here to help our families through this process. If sending your son or daughter to Tri-Cities Prep is important to you, it is important to us to help make this happen. We fundraise throughout the year to enable our community to take advantage of our tuition assistance program. We have never turned away a family for financial reasons. Please give us a chance to work with you.

Sending your son or daughter to Tri-Cities Prep places you at the heart of community united in purpose: to form students to be intellectually competent, committed to service, and well prepared for future success. Once again, welcome to our community, and know that we are grateful for this opportunity to join you in the formation of your student at Tri-Cities Prep.

Sincerely,

Lisa Jacobs
