

**Commitment to the Tri-Cities Prep Mission  
Must be signed each year  
One for each student**

Tri-Cities Prep, a Catholic High School, is dedicated to providing the highest quality academic instruction in a faith-centered environment. While preparing students for higher education, we will strive to form Christian leaders spiritually, intellectually, physically and culturally.

A high moral standard within the Judeo-Christian tradition will provide the cornerstone for assisting our students in making sound decisions for a full and successful life.

Guided by the Gospel values of love and justice, students are challenged to critically seek the truth and dedicate themselves to improve their community and serve others.

Tri-Cities Prep Mission and Values Statement challenges all of us to strive for excellence in all things: spiritual, religious, physical, emotional and aesthetic: and ultimately, to become men and women in service of others. As a school community, we are called to be concerned for every person as a member of God's family. It is through partnership with faculty, students, administration and parents that we create an educational climate consistent with the Mission and Values Statement.

To achieve these ideals, all are expected to contribute through words and actions to the development of an environment characterized by respect, caring and honesty, Tri-Cities Prep has chosen a specific way of teaching and administrating that allows for change but also reflects some fundamental religious characteristics of Catholic education. Students are expected to enhance our mission with behavior which demonstrates respect for oneself, respect for others and adherence to school rules and traditions.

As a student entering Tri-Cities Prep, you are asked to consider the school's mission as it relates to you as a person who seeks to grow in the spiritual, religious, intellectual, physical, emotional and aesthetic aspects of your life. Your desire to join the Tri-Cities Prep community assumes your dedication to pursuing growth as stated in our Mission. It further assumes you will abide by a standard of behavior in and out of school, which preserves the integrity of our school community.

***I have read the Tri-Cities Prep Mission and Values Statement and it is my desire to actively support it as a member of the Tri-Cities Prep School community.***
